

Adopt A Future EPIDEMIOLOGIST

STEM toys, games, and books Focus: *Middle & High School*

Use our amazon wish list to shop for the perfect gift or make a donation on our online giving portal.

We focus on quality over quantity. We would rather one \$300 item than sixty \$5 toys - our goal is to provide inspiration and tools for future innovators.

If a young innovator were interested in becoming an **Epidemiologist** What gift would help and inspire them?

Any amount helps.
Suggested donation: \$50
